

Letter from Leonidas Hubbard Sr. to Dillon Wallace

Rapid City Mich May 26, 1907

My ever to be remembered Friend,

*I have no words, expressive enough, to tell of your renewed courtesy
And kindness in sending me your new book "Long Labrador Trail",!!
Graphic beyond measure. I read it through last Sunday without a stop. We
cherish to you, also a lasting gratitude for your persistent kindness to our
lost boy, and your successful struggle and victory over opposing elements
in bringing his body back to God's country for burial. If we can, in any way,
do you a kindness; to show our good will, it will be most cheerfully granted.
Mrs. Hubbard joins me in thanks.*
